To _____,

On behalf of the Arizona Peer and Family Coalition, I am excited to offer you this opportunity to intentional partner with us as we strive to strengthen individual, family and young adult leadership in communities statewide.

Please consider one of the generous sponsorship opportunities below to join the Arizona Peer and Family Coalition's determined effort to connect communities across the State; and ensure that the Right Voices are at the Right Tables, and all felt heard, valued, and validated.

The Arizona Peer and Family Coalition was established in 2009, and is comprised of community volunteers (peers, family, young people and allies) dedicated to extending statewide peer and family leadership into all aspects of Arizona's public health system. Our mission is to advocate for, connect, promote, and develop leadership by peers, family, young people, and allies throughout the state. We achieve our mission by sharing our leadership and experience; along with our Coalition developed Civic Leadership Development training, to grow opportunities for active, educated and connected peers, family, young people, and allies to share their Voices in all aspects of the system design, development, and oversight.

As a nonprofit, 501(c)3, your support can help us achieve our mission and continue to offer leadership and advocacy training to engage peers, family, young people, and allies to serve on committees within AHCCCS and Integrated Care Contractors intentionally partnering to improve public health service delivery.

We are most grateful for your time and consideration!

Most sincerely,

| | |
